### INSTRUCTIONS FOR COMPLETION OF FORM C-128

1. Operator shall furnish and certify to the information called for in Section A.
  2. Operator shall outline the dedicated acreage for *both* oil and gas wells on the plat in Section B.
  3. A registered professional engineer or land surveyor registered in the State of New Mexico or approved by the Commission shall show on the plat the location of the well and certify this information in the space provided.
  4. All distances shown on the plat must be from the outer boundaries of the Section.
  5. If additional space is needed for listing owners and their respective interests as required in question 3 of Section A, please use space below.
