HISTORY OF OIL OR GAS WELL

It is of the greatest importance to have a complete history of the well. Please state in detail the dates of redrilling, together with the reasons for the work and its results. If there were any changes in the casing, state the date, size, position, and number of joints or pieces of pipe or pipe were put in to test for water, size, kind of material used, position, and results of pumping or pulling. If the well has been dynamited, give date, size, position, and number of joints or pieces of pipe or pipe were put in to test for water, size, kind of material used, position, and results of pumping or pulling.

MUDDING AND CEMENTING RECORD
