Consolidated Oil & Gas Company 4150 East Mexico Ave. Denver 22, Colorado

Attn: Mr. W. A. Williams, Chief Engineer

Dear Sir:

We have received two copies of Federal Notice of Intention to Drill, with Form C-128 attached for your #1-23 Phillips well located in the SE Section 23-31N-13W, Basin Dakota Pool.

Form C-128 indicates that as of the date of filling the Notice of Intention to Drill the South Half of Section 23, which is your dedicated unit, has not been consolidated by communitization agreement.

Will you please notify this office when this acreage has been finally communitized, in order that Form C-110 may be approved when the well is ready to go on production.

Yours very truly

Emery C. Arnold
Supervisor, District #3
