Gentlemen:

We are in receipt of Form C-110 on your #4-A Ute Mountain well in Section 21-31N-15W. We are unable to approve this form as we do not yet have on file a Federal Well Log on this well.

Also we note that you have given Box Bar Transportation Company as transporter. This blank should give the name of the transporter to whom final disposition of the oil is made, usually El Paso Natural Gas Products Company in this area.

Will you please correct this form as indicated above and see that we receive a copy of the Federal Well Record form. This form should include all information pertinent to the well such as casing and tubing, artificial stimulation and perforations, producing formation and zone, geological tops, etc.

Yours very truly
