DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

We request permission to temporarily abandon this well. No equipment is to be removed from the well and no plugs set. As soon as practical a study will be made and the well will either be permanently plugged and abandoned or workover and stimulation efforts will be started.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
