Re: Application for Exception to
Rule 1(a) of Order No. R-128-C
for Non-Standard Proration Unit,
Elanco Mesaverde Gas Pool,
San Juan County, New Mexico

Gentlemen:

The New Drilling Company hereby submits its application for administrative approval of a non-standard unit comprising the West Half (W/2), (or lots 1, 2, 3, 4 and E/2 of W/2) of Section 18, Township 31 North, Range 12 West, San Juan County, New Mexico, and in support thereof states the following facts:

1. The Govt-Reid #1 Well is located 1150' FSL and 953' FWL of Section 18, T31N, R12W, N.M.P.M.
2. That the proposed non-standard gas proration unit consists of 114.48 acres which are contiguous quarter-quarter sections and lots.
3. That New Drilling Company owns offset acreage to the South, West and North, and Ohio Oil Company owns offset acreage to the East.
4. The proposed non-standard gas proration unit lies wholly within a single Government section.
5. That the proposed non-standard gas proration unit may reasonably be presumed to be productive of gas.

Re: Application for exception to
 (Title 10) of Order No. 8-135-2
 for New-Britain Petroleum Unit,
 located between Gas Pool,
 San Juan County, New Mexico

The New Britain Company hereby submits its application for exception to
 the approval of a new standard with exception to the west half (W1/2)
 (see also 1, 2, 3, 4 and 5 of W1/2) of section 18, Township 31 North,
 Range 12 East, San Juan County, New Mexico, and in support thereof
 states the following facts:

1. The New-Britain W1/2 well is located 1250'
 EOL and 800' EOL of section 18, T31N,
 R12E, S10E.
2. That the proposed non-at-risk gas
 production unit consists of 12.5
 acres which are contiguous quarters-
 quarter sections and lots.
3. That New Britain Company owns offset
 acreage to the north, east and south,
 and this will be pooled with offset
 acreage to the east.
4. The proposed non-at-risk gas production
 unit lies wholly within a single
 Government section.
5. That the proposed non-at-risk gas
 production unit is reasonably well protected
 by the ownership of gas.

6. That by copy of this letter of application all operators owning interests (a) in the section in which any part of the non-standard proration unit is situated and which acreage is not included in said non-standard gas proration unit, and (b) in acreage offsetting the non-standard gas proration unit, are notified by registered mail of this proposed non-standard gas proration unit.

Therefore, New Drilling Company requests that, under the provision of Rule 1 (b) of Order No. R-128-C, the Secretary of the Commission grant exception to Rule 1 (a) without Notice and Hearing, and approve the subject non-standard gas proration unit.

Respectfully submitted,

THE NEW DRILLING COMPANY

d. That by copy of this letter of application all operators owning interests (a) in the section in which any part of the non-standard gas production unit is situated and which acreage is not included in said non-standard gas production unit, and (b) in acreage offsetting the non-standard gas production unit, are notified by registered mail of this proposed non-standard gas production unit.

Therefore, New Drilling Company requests that under the provision of Rule 1 (c) of Order No. H-128-C, the Secretary of the Commission grant exception to Rule 1 (a) without Notice and Hearing, and approve the subject non-standard gas production unit.

Respectfully submitted,

THE NEW DRILLING COMPANY
