Post Office Box 757
Farmington, New Mexico

Dear Mr. Motto:

This is to request a Annual Deliverability
Re-test on our Government-Reid well in Section
18 Twp 31 N, R 12 W, San Juan County, New Mexico.

Since the previous test a portable gas
compressor has been installed at this location
and the well is performing better with the
compressor in operation than the first test
indicated.

We would like to have this well go on flow
week May 1, 1958. The conditioning period has
run since April 16, 1958.

Very truly yours,

Colorado Western Exploration, Inc
