*Beaver Lodge Oil Corporation
1101 Mercantile Dallas Building
Dallas 1, Texas*

*Attn: Mr. H. Stewart Bennett
General Manager*

Dear Mr. Bennett:

*Reference is made to your letter of April 16 regarding filing of
workover information on your #1 McCoy well in Section 18-31N-10W.*

*Our files indicate all required reports have been filed, including
the new deliverability test. The well has been granted a new
allowable based on a new deliverability of 2200 MCF per day, effective
1-29-59. Your copy of the gas supplement reflecting the new allowable
should be forthcoming from our Santa Fe Office soon.*

Yours very truly

ROAD

April 10, 1939

Barber Dodge Oil Corporation
1111 Texas Building
Dallas, Texas

State of New Mexico
Department of Conservation

Dear Sir:

Reference is made to your letter of April 10, regarding filing of
workover information on your 41 1/2 inch well in Section 12-21-39.
On April 10, 1939, the requested reports have been filed, including
the new delisting report. The well has been placed on a new
delisting record on a new delisting of 2500 feet per day, effective
1-20-39. Your copy of the new delisting report has been forwarded
should be forwarded from our State Office soon.

Yours very truly

Emery C. Arnold
Superintendent, District 1
