Re: Deliverability Test Our No. 1  
Government Owens: Sec. 7,  
T31N, R12W, San Juan County, N.M.

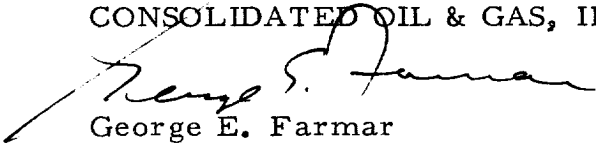

Dear Mr. Kendrick:

In our letter dated May 29, 1959, addressed to Mr. H. P. Logan, El Paso Natural Gas Company, a copy of which was sent to you, we re-scheduled deliverability test on the captioned well. Due to irregularities during operation of the compressor while making this rescheduled test, we are not submitting the deliverability.

Therefore, the previously made test from 3-7-59 to 3-15-59 will still be effective. We trust that this will meet with your approval.

Very truly yours,

CONSOLIDATED OIL & GAS, INC.
