RE: Temporarily Abandoned Well: A Gross #1, K-09-31-13N, 30-045-10894

Dear Mr. Stoab:

Our records indicate that the above well is inactive and requires P&A or TA approval under rules #201, 202 and 203 of the NMOCD Rules & Regulations Manual. Please review your records and contact this office indicating the status of this well.

Plans to bring this well into compliance are to be submitted by December 18, 1995 and work completed by May 18, 1996. Rule #203 requires that a notice of intent to TA a well be submitted on a Sundry Notice, Form C-103, and that a MIT be conducted on the casing before final approval. If there is a notice of intent to P&A filed and approved for this well, the work is to be completed by May 18, 1996.

If you have any questions, please feel free to contact Johnny Robinson or Ernest Cardona at this office, 334-6178.

Sincerely,

Ernest Cardona  
Deputy O&G Inspector
