Attn: Mr. B. N. Bradley

Dear Mr. Bradley:

We have received your letter of August 30, 1963 informing us that your Navajo Tribe of Indians "6" Well #21 located in Unit J, Section 1-31N-17W is now being used as a water injection well. However, our files indicate that Notice of Intention to Drill was filed in July and no previous drilling or completion forms have been received in this office.

Will you please file the necessary forms with the U.S.G.S. Office in Farmington so that our copies may be forwarded to us.

Yours very truly
