Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Sign the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days of completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once the operation is completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined the site is ready for final inspection.)

Rig delay due to lifting ram on rig being down for over a month  
and rig will not be operational for a minimum of another 2 weeks.  
Get out back on production or plug by October 2002.
