Mr. Emery C. Arnold
New Mexico Oil & Gas Conservation Commission
1000 Rio Bravo Road
Aztec, New Mexico

Dear Mr. Arnold:

Upon reviewing Gas Supplement No. Northwest 7235, dated 9-10-62 pertaining to our Baird 1-4 well, Unit H, Section 4, Township 31 North, Range 13 West, I note that August was only given .6129% of month allowable. As this supplement was issued on September 10 and our deliverability test was submitted August 23 it would appear to me that we should have received full allowable for the month of August and probably for the whole time that this well was on in July.
