Attention: Mr. Gene W. Hewett

Gentlemen:

Your application to drill an unorthodox location due to the rugged terrain in Section 2, Township 31 North, Range 11 west, San Juan County, New Mexico, has been approved as of May 4, 1953.

This is your authority to drill 600' from the north line and 1550' from the east line of Section 2.

A copy of this letter is being sent to the Oil Conservation Commission office in Astec, New Mexico, in whose district this location lies.

Very truly yours,

R. R. Spurrier

U.S. CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

Dear Sir:

Enclosed for you are two copies of a report on the results of the first year's work of the Santa Fe Field Station.

Very truly yours,

W. H. Henshaw

The report is being sent to you by mail. It contains a description of the work done during the year, and a list of the birds seen at the station. It also contains a list of the mammals seen at the station.

I am sure you will find it of interest. I am sure you will find it of interest.

A copy of this letter is being sent to the Santa Fe Field Station. I am sure you will find it of interest.

Very truly yours,
W. H. Henshaw
Director
