Re: EPNG #2 Barnes  
SW 22-32N-11W  
San Juan County

Dear Mr. Kendrick

This letter will serve as your authority to produce the above well between the dates of June 23, 1960 to July 15, 1960 for the purpose of obtaining annual deliverability test.

It is understood that upon completion of the test the well will remain shut in until released by this office.

Yours very truly

Emery C. Arnold  
Supervisor, District #3

Mr. W. A. Henderson  
U. S. Forest Service  
Washington, D. C.

Dear Mr. Henderson:  
Reference is made to your letter of June 15, 1960, regarding the matter of obtaining annual delivery of oil.

Dear Mr. Henderson:

This letter will serve as your authority to produce the annual delivery of oil between the dates of June 15, 1960 to July 15, 1960 for the purpose of obtaining annual delivery of oil.

It is understood that upon completion of the test the well will remain shut in until released by this office.

Very truly yours,

W. A. Henderson  
Director, Division of  
Conservation

ADDRESS REPLY TO:  
POST OFFICE BOX 990  
FARMINGTON, NEW MEXICO

Mr. E. C. Arnold  
Oil Conservation Commission  
1000 Rio Brazos Road  
Aztec, New Mexico

Dear Mr. Arnold:

Subject: El Paso Natural Gas Barns No. 2, SW 22-32-11,  
Blanco Mesaverde, San Juan County, New Mexico.

The above captioned well has been ordered shut-in by the State due to over-production. We would like to have the well released from shut-in to produce the well from June 23, 1960 until July 15, 1960 for Annual Deliverability test in Area No. 19.

Yours very truly,

  
H. L. Kendrick  
Sr. Gas Engineer
