Gentlemen:

Your wells Wickens #1, located NE 24-32-10, and Barnes #1, located NE 26-32-11, are tied-in and ready for production as of August 18, 1965.

Due to necessary forms not being filed with the New Mexico Oil Conservation Commission in Aztec, we do not have the authority to produce these wells.

Please advise.

Yours very truly,

EL PASO NATURAL GAS COMPANY
