Dear Mr. Riddle:

We have just received your Notice of Intention to Drill the above captioned well; also copy of the \$10,000 blanket bond with yourself as principal and the U.S. Fidelity - Guarante Co. as surety.

Your Notice of Intention to Drill appears to be in order however this office cannot approve a Notice of Intention to Drill until the bond has been approved by the Santa Fe Office. We are today forwarding your bond along with your letter to the Santa Fe Office and just as soon as we have notification of approval of the bond we will approve your Notice of Intention to Drill, which we are holding here for notice from the Santa Fe office of approval of your bond.

Yours very truly
