RE: Temporarily Abandoned Wells

Dear Gary:

Our records indicate that the enclosed list of wells are inactive and require P&A or TA approval under Rules #201, 202 & 203.

Please review your records and contact this office indicating the current status of listed wells and your intentions for bringing these wells into compliance.

Rule #203 requires that a notice of intent to temporarily abandon a well, P&A or return well to production be filed with the OCD or BLM for approval.

Sincerely,

Johnny Robinson
