Re: Cancellation of NSL-101

Attention: Mr. T. A. Dugan

Gentlemen:

Reference is made to your letter dated July 24, 1957, requesting cancellation of NSL-101, for your San Juan Unit Well No. 16-17, to be located in the SE/4 NE/4, instead of the NW/4 NE/4, Section 17, Township 32 North, Range 7 West, San Juan County, New Mexico, Blanco Mesaverde Pool.

Effective this date Administrative Order NSL-101 is hereby cancelled due to the fact that you moved the location to 1650 feet from the North line and 910 feet from the East line of said Section 17, which will now be a standard location.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director

New Cancellation of Order

Attention: Mr. T. A. Brown

Dear Sir:

Reference is made to your letter dated July 26, 1937, regarding cancellation of Order 151-101, for your San Juan Unit. It is noted that the location is located in the SW 1/4 of Section 17, Township 1N, Range 7W, New Mexico, which is a standard location.

Effective this date Administrative Order 151-101 is hereby cancelled due to the fact that you have moved the location to the SW 1/4 of Section 17, Township 1N, Range 7W, New Mexico, which is a standard location.

Very truly yours,

A. L. BROWN, Jr.
Secretary-Treasurer

Very truly yours,

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry must be supported by proper documentation, such as receipts or invoices. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze data. This includes both qualitative and quantitative approaches, as well as the use of statistical tools to interpret the results. The goal is to provide a comprehensive overview of the research findings.

The third part of the document focuses on the practical application of the research. It describes how the findings can be used to inform decision-making and improve organizational performance. The author also discusses the limitations of the study and suggests areas for future research.

Finally, the document concludes with a summary of the key points and a call to action. It encourages readers to take the time to review the findings and apply them to their own work. The author expresses hope that the research will be helpful and informative.
