Gentlemen:

We are requesting that Oil Conservation Commission "Casing Failure Report" form be filed in triplicate on all wells upon which casing failures have occurred. This form should be filed subsequent to repair. You are also reminded that Commission Form C-102 should be filed prior to institution of remedial action on any well upon which casing failure has occurred.

We have never received a casing failure report on the #2 Vanderslice well in Section 18-32N-10W, on which we have information that casing failure has occurred. We are enclosing a supply of casing failure report forms for your convenience.

Yours very truly
