Phillips Petroleum Corp.
Box 939
Aztec, New Mexico

Att: Mr. Earl Sturn

Dear Sirs:

We are returning your Notice of Intention to Drill on your #3-18 San Juan Unit 32-7 Well in the Northeast Quarter of Section 18-38N-7W. Will you please indicate which half-section is to be dedicated to this well and also specify if the whole 380 acres is owned by P.B. Martin & R.M. Martin. If not, please state who else is in the block and what their acreage is.

We are also enclosing a memorandum regarding submittal of forms to this office. You will note that 6 copies of the Notice of Intention to Drill are to be submitted.

Yours very truly,

Emery C. Arnold
Oil & Gas Inspector
District #3

Oil Conservation Commission
New Mexico
Aztec, New Mexico

Dear Sir:

Enclosed

We are returning your letter of March 27, 1933, to you. It is noted that you are interested in the oil and gas rights in the area of the old oil field. We are sorry that we cannot give you more information at this time. We will be glad to answer your questions when you write again.

We are also enclosing a letter from the Bureau of Land Management regarding the oil and gas rights in the area of the old oil field. We will be glad to answer your questions when you write again.

Very truly,
Sincerely,

W. L. Arnold
Oil & Gas Division
Bureau of Land Management
