c/o Mr. H.L. Fannin
Albuquerque, New Mexico

Dear Mr. Fannin:

We have received the Notice of Intention to Drill on the well in the SW/4 Section 10-32N-11W, San Juan County. Today we have also received a letter from Santa Fe approving a bond designated as follows: Hugh McMillan and Ted M. White. We are therefore correcting the company or operator to Hugh McMillan and Ted M. White, to correspond with the principal on the bond. We are designating the well as the #1 Maddox. If the above does not meet with your approval, please let us know.

Order R-128-C also requires that a Gas Well Plat be filed in triplicate with the notice of intention to drill for all wells drilled in the Blanco Mesaverde Pool. This plat should indicate the half-section dedicated, along with the total number of acres.

We will approve your Notice of Intention to Drill upon receipt of the above mentioned Gas Well Plat.

Yours very truly

Emery C. Arnold
