Re: NMU-259

Dear Oliver:

I should have started this by mail instead of phone.

*El Paso applied for an NMU consisting of all of partial section 12
Township 32N Range 10W,*

*NMU-259 was approved March 17, 1958 showing an application for 346.80
acres and stating that the allowable would be based upon the unit
size of 345.80 acres. By not putting this in writing the acreage issue
became confused.*

*We are using the 1881 plat referred to in El Paso's letter. We agree
with their figures concerning the unit size. We have issued
Supplement #NW-3132 showing 346.80 acres.*

If you need more information please let me know.

Yours very truly

Engineer, District #3*
