

ILLEGIBLE

Generally, this fee is charged for submitting a complete and correct application received by our Bureau of January 24, 1964, or later, for either a Federal or State license, or both, pursuant to the applicable Federal and/or State laws and regulations. Any fees payable by the applicant for the processing of the application, including the fee for the submission of the application with regard to local, area, or regional procedures, shall be shown in item 10, or will be paid by the applicant prior to the completion of the application on items 29 and 30, and shall be recorded separately by the Bureau in its completion of the application on items 29 and 30, and for the fee on items 28 and 30. The summary record is submitted, except of the currently available fee (which is not reported on the application) and the fee for the summary record, to the extent required by applicable Federal and/or State laws and regulations. All application and processing fees, for a Federal license, should be attached hereto, to the extent required by applicable Federal and/or State laws and regulations. All application and processing fees, for a State license, should be attached hereto, to the extent required by applicable Federal and/or State laws and regulations. All application and processing fees, for a Federal license, should be attached hereto, to the extent required by applicable Federal and/or State laws and regulations. All application and processing fees, for a State license, should be attached hereto, to the extent required by applicable Federal and/or State laws and regulations.

should be traced on this form, if not known.
Figure Z: If there are applicable State requirements, locations or Federal requirements, location or Indian land should be described in accordance with Federal regulations. Consult local State instructions.
