RE: EXCESS SHUT-IN TIME ON A COMMINGLED WELL.

Dear Mr. Chavez

The El Paso Natural Gas Company B #1 (MD) Cmlgd. in O 28-32-06 San Juan County, New Mexico was shut in October 17, 1980 ~~until October 28, 1980~~ by Northwest Pipeline Corporation and coded 71 (NO DEMAND). NMOCD order number R-5794 requires that any Shut-In period in excess of seven days be reported to you.

We have reached an agreement with Northwest Pipeline Personnel that this well should not be Shut-In for this type of reason in the future. We do not anticipate Shut-In of the kind again.

If further information is needed please call.

  
H. E. McAnally  
Senior Production Engineer
