17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On 9-4-74, in order to shut off water production, a cast iron bridge plug was set at 2476' with 1-1/4" tubing landing at 2465'. Swabbed well and recovered no water. Shut well in for pressure buildup and then opened up with well unloading water, and no gas, to the pit. Well is presently shut in.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
