Re: Application for Permit to Drill
Cox Canyon Unit #18
SE 1/4 Sec 17, T32N, R11W

Gentlemen:

Information regarding existing roads, pipelines, flowlines, etc., relative to the above well location are included on the enclosed attachments.

Water for drilling and completion operations will be obtained from the Decker Spring Water Hole located SENW, Sec 29, T32N, R10W. Waste disposal will be burned in the burn pit, latrine or reserve pit. There will be no camp or airstrip associated with drilling this well. Upon completion or abandonment of this well the location will be cleaned, leveled, and a dry hole marker placed if applicable.

Yours truly,
NORTHWEST PIPELINE CORPORATION

O.B. Whitenburg
Production & Drilling Engineer
