DESIGNATION OF OPERATOR

The undersigned is, on the records of the Bureau of Land Management, holder of lease

DISTRICT LAND OFFICE: *Farmington, New Mexico*
SERIAL NO.: *SF-078095 A*

and hereby designates

NAME: *Kimbark Operating Company*
ADDRESS: *1860 Lincoln Street, Suite 808*
Denver, Colorado 80203

as his operator and local agent, with full authority to act in his behalf in complying with the terms of the lease and regulations applicable thereto and on whom the supervisor or his representative may serve written or oral instructions in securing compliance with the Operating Regulations with respect to (describe acreage to which this designation is applicable):

Township 31 North, Range 11 West
San Juan County, New Mexico

Section 7, E/2

It is understood that this designation of operator does not relieve the lessee of responsibility for compliance with the terms of the lease and the Operating Regulations. It is also understood that this designation of operator does not constitute an assignment of any interest in the lease.

In case of default on the part of the designated operator, the lessee will make full and prompt compliance with all regulations, lease terms, or orders of the Secretary of the Interior or his representative.

The lessee agrees promptly to notify the supervisor of any change in the designated operator.

Gentlemen:

The 12 Point Program for Kimbark Operating Company Horton ^{1A} well is as follows:

1. See attached vicinity map prepared by surveyor.
2. None - roads in existence.
3. This is a development location.
4. See attached surveyor's vicinity map.
5. No tanks or tank battery is contemplated, this should be a Mesaverde - Dakota gas well with no liquids.
6. Nearby creek or Animas River approximately five miles.
7. Earth pits and cover up after drilling.
8. None.
9. None.
10. See attached map.
11. Level and plant to grass when moisture level is appropriate.
12. Topography not too rough at this site but some grading required.

Very Truly Yours,

KIMBARK OPERATING CO.

Walter K. Arbuckle
