Dear Mr. Schmidt:

Please cause a hearing to be docketed in the immediate future for your application to downhole commingle the Fruitland and Pictured Cliffs zones in the subject well and to dual complete such commingled zone with the Mesaverde zone.

Form 9-330, Well Completion Log, received here March 29, 1977, shows this well to have been completed as stated above without orders of approval.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
