The Application to Drill was approved for a Mesaverde completion only. After the logs were run, it was determined that the Pictured Cliffs zone is also commercial. We hereby request permission to complete this well as a Mesaverde - Pictured Cliffs dual. A packer will be run to separate the zones and tubing will be run to the Mesaverde zone. We propose to produce the Pictured Cliffs zone through the annulus.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
