OTHER: Dual Completion (details) ☒

12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting proposed work) SEE RULE 1103.

On December 24, 1995 we completed the dual completion and included you will find a diagrammatic sketch of the well as completed, including Pictured Cliff perforations depths, packer type and depth, both long and short string tubing depths and sizes, and a sketch of the production packer used.

Koch will notify the NMOCD prior to running the segregation test within fifteen days after surface equipment is installed and wells are put on production
