13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Plan to return this well to production:

water injection patterns have been altered somewhat and I believe this will effect the production on this well favorably.

I therefore request a shut-in status for this well.
