Dear Ms. Eckstein:

The 1999 Packer Leakage Test on the referenced well does not provide the proper information. In order to comply with Rule #112A, you are hereby directed to retest the well to show separation of the zones prior to February 1, 2000. Notify the Aztec OCD in time to witness the retest.

Feel free to call me at 334-6178, ext. 16, if I can be of any help.

Sincerely,

Charlie T. Perrin
