17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This well is currently sanded off. An extended shut in status is requested due to current market conditions. When market conditions improve, a coiled tubing unit will be used to clean out the sand in the wellbore, and return the well to production.
