Unorthodox Location Approval  
Payne #11  
590' FNL & 810' FEL  
Section 27, T32N-R10W

Dear Mr. LeMay:

Union Texas Petroleum requests Administrative Approval for an Unorthodox Location for an Basin Dakota Completion. A standard location is not possible due to topography and existing structures.

The only offset operators adjacent to the Basin Dakota "proration" unit are Meridian Oil, Inc., Northwest Pipeline and Amoco Production Company. They were notified by a letter of this date of our intentions.

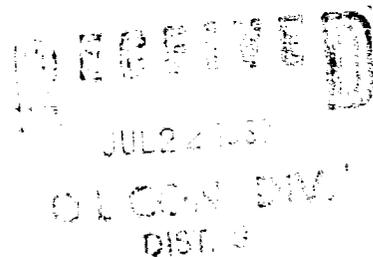

If I may be of any further assistance, please advise.

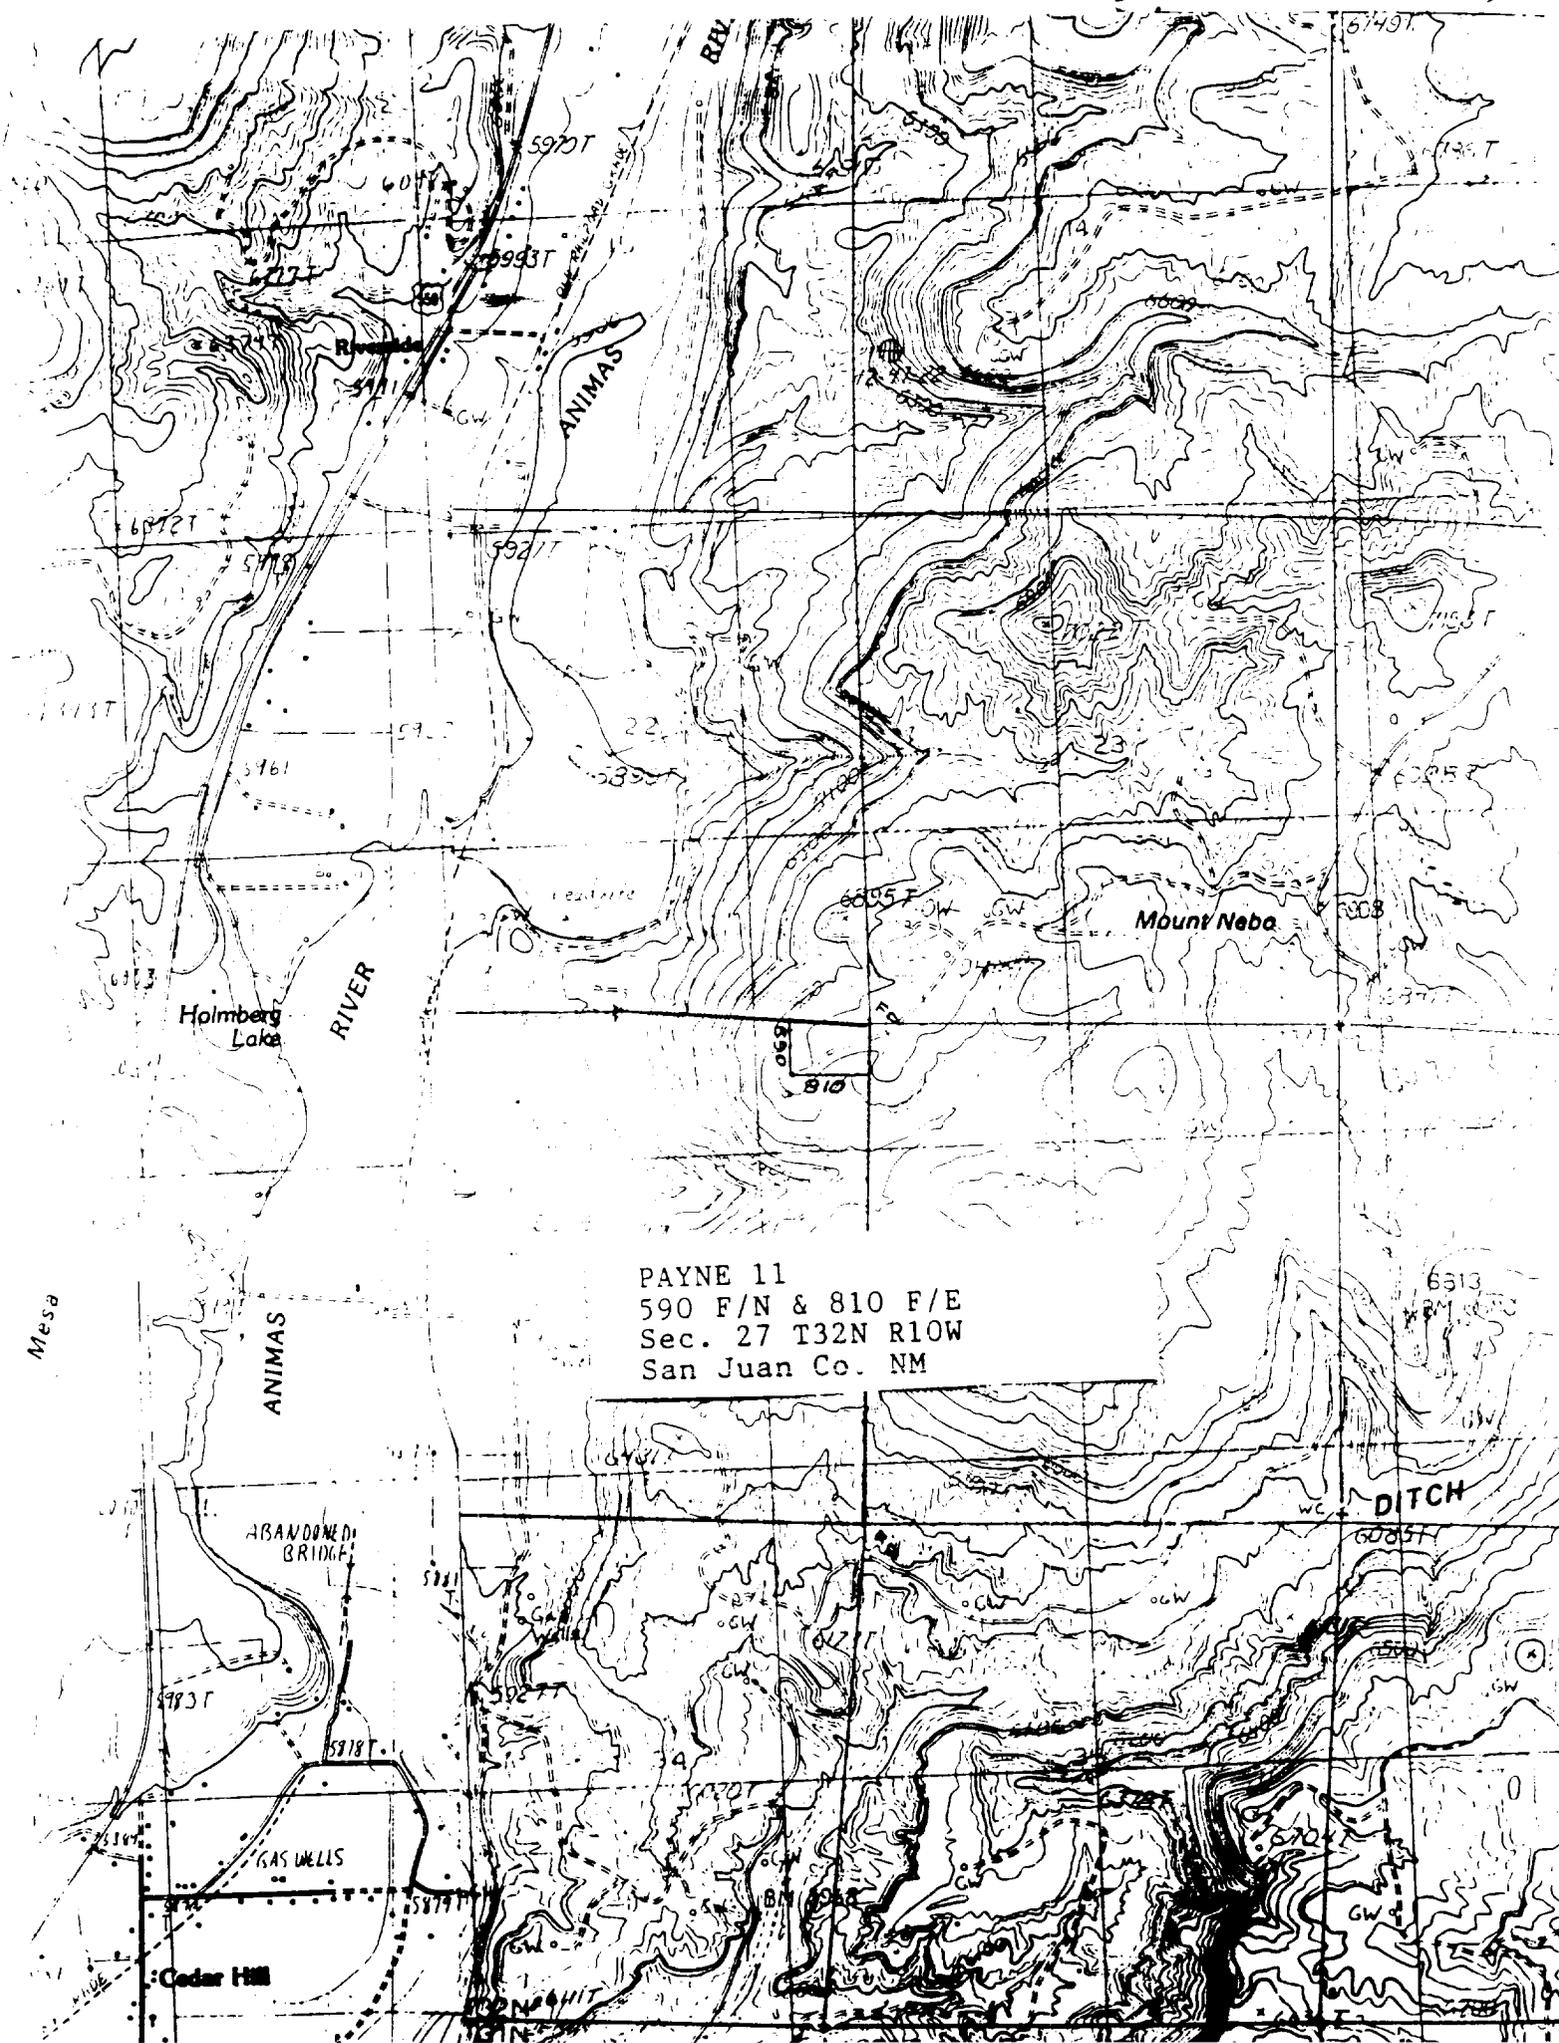

Very truly yours,

Robert C. Frank  
Permit Coordinator
