Dear Ms. Bradfield:

Reference is made to your recent application to downhole commingle the Blanco-Mesaverde and Basin-Dakota Gas Pools within the subject well. Please be advised that Division Rule No. 303 does not provide for administrative approval of downhole commingling in the event both zones are non-marginal.

Please advise the Division if you wish to pursue the application at a hearing before a Division examiner.

If I can be of further assistance, please advise.

Sincerely,

David Catanach
