13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well is a very low pressure well, and it is unable to produce gas against El Paso Natural Gas high sales line pressure. SG Interests plans to keep this well shut in for periods of time, enough time to build pressure, and then produce the well to sales line whenever possible.
