*Re: Texas Pacific #1 Navajo "A"  
SE~~1~~ Section 32-32N-17W*

*Gentlemen:*

*Copies of Federal Notice of Intention to Drill for the above well were received in this office on July 2, 1959. We have never received any subsequent reports.*

*We have checked with the U.S.G.S. in Farmington and they have indicated that the well was drilled to an undetermined depth and turned over to the Navajo Tribe for a water well.*

*Will you please file 5 copies of Federal miscellaneous reports indicating to what depth the well was drilled and what casing and equipment was installed. Also please file 5 copies of the Federal well record form so that they may forward our copies and we will then be able to close our files on this well.*

*Yours very truly*
