Re: Atlantic Tribal 33-E  
SW NW (Unit E) Section 33, T-32N, R-16W  
San Juan County, New Mexico

Dear Sir:

A copy of the "Application for Permit to Drill" for the subject well is attached. This application was mailed to the U.S.G.S. in Durango on September 25, 1964. This is a jointly owned lease and Atlantic had not obtained a "Designation of Operator," from Standard of Texas. Mr. Jerry Long with the U.S.G.S. verbally approved drilling this well after Mr. Dubitzky with Standard, stated that the designation would be sent. Apparently Mr. Long has not recieved the "Designation of Operation," and therefore, has not sent a copy of the "Request to Drill to the New Mexico Commission."

Also, a copy of the Log of Oil and Gas Well is attached.

Yours very truly,

*B. J. Sartain*
