Dear Sir:

In reply to your letter dated September 9, 1971 concerning Navajo Well #5, location-010-32N-18W, Gallup formation. This is a gas well with with no pipe line available. We are planning to water-flood, which we hope to do in the next year therefore we will need this gas for fuel when we start our water flooding.

We hope this will answer your questions.

Yours very truly,

A.A.A. Fishing Tool Co., Inc.
