Dear Bruce:

We have not been advised of the communitization of the Mesaverde zone of the subject well.

Form C-104 for the Dakota zone was approved on May 24, 1979.

Until Form C-104 is approved for the Mesaverde zone, the zone shall not be produced and no liquid production shall be attributed to it under PC-563.

If there are questions, please call.

Yours very truly,

A. R. Kendrick
