Re: \$2,500 One-Well Plugging
Bond, W. A. Hurley, SE SE,
Section 18, Township 18
North, Range 10 West

Dear Sir:

We acknowledge receipt of your letter dated June 6, 1962, with reference to a request for cancellation of the above-captioned bond. We must apologize for failing to answer your previous letter.

The location of the above well is in a rather remote section of the state and our field office personnel at Aztec are in the process of making a physical inspection to determine the condition of said location. If the well has been properly plugged and the surface cleared, this office will be notified that the bond may be cancelled. If on the other hand, Rules and Regulations have not been complied with, the subject bond will remain in effect until the well is plugged in accordance with the Rules and Regulations of this Commission.

Upon receipt of well site information from our field personnel, we shall inform your office as to the status of the well.

Very truly yours,

I. R. TRUJILLO
Administrative Assistant
