Mr. Foster Morrell
Oil and Gas Supervisor
United States Geological Survey
Box 997
Roswell, N. M.

Dear Sir:

I inclose herewith notice of intention to drill Rosa Unit No. 3, and a copy of request to the New Mexico Oil and Gas Conservation Commission for approval of the location.

Elevation of the derrick floor will be supplied after the derrick is on location.

Very truly yours,

Neville G. Penrose and J. L. Tatum
