LOBBY OF SIMMS BUILDING

July 25, 1961

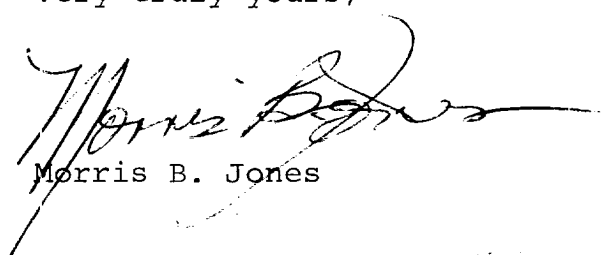

Mr. A. R. Kendrick
New Mexico Oil Conservation Commission
1000 Rio Brazos Road
Aztec, New Mexico

Dear Mr. Kendrick:

We originally staked a location 1850/S; 1850/W, Section 23, Township 24 North, Range 7 West, Rio Arriba County, known as the Love 3-23, and filed Notice of Intent on this well. This location would have been expensive and difficult to build because of a large dry wash running through this proposed site. The location was changed to 1500/S; 1550/W, Section 23, Township 24 North, Range 7 West, and designated as the 3-23 Kenney well.

A letter was written to A. L. Porter requesting administrative approval for this unorthodox location because of terrain features. Therefore, the 3-23 Love will be an abandoned location.

Very truly yours,

Morris B. Jones
