Re: Well No. 1 West McIntosh
SW 1/4 sec. 21-18N-3W
Sandoval Co., New Mexico

Attached are several copies of NMOC form 3-123. Please complete the form and submit five copies to this office. It will not be necessary to have a registered surveyor sign the plat, but you should show the location of the dry hole in the quarter section, and the distance from it to the new location.

Very truly yours,

[Handwritten signature]
P. T. McGrath
District Engineer
