Form C-110

A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one operation period, the operator shall in lieu of filing a new certificate, notify the Oil Conservation Commission District Office, and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oil or gas to be moved by the transporter temporarily moving oil or gas from the unit and the name of such temporary transporter, and a copy of such notice shall also be furnished such temporary transporter. Such temporary transporter shall not move any more oil or gas than the estimated amount shown in said notice.

- Operational membership changes;
- The language of the instrument;
- The period in which the Commission

In all cases where this act results in the removal of a change in operating ownership of a line or in the transport of a surface to move oil or gas, show under "TIFW" whether a change of ownership of operating the transporter previously and/or a change of ownership of the line.
