ship 29 North, Range 11

Dear Sir:

We have your letter dated February 18, 1963, wherein you request cancellation of the above-captioned bond.

Our records indicate that the well covered by subject bond has not been plugged, therefore, we are unable to approve cancellation of the bond at this time.

If the well is to be plugged and abandoned, please have Mr. Flader contact Mr. Emery Arnold, our district supervisor at Aztec, New Mexico, regarding a proper plugging program.

Very truly yours, FEB 26 1963
