Re: Coal Creek Oil Co.
Graham #1 H-20-29N-11W

Dear Florence:

I found the referenced abandoned well on December 22, it is uncapped and uncased, is in a populated area within the Bloomfield city limits and poses a potential hazard.

Please docket a case calling for Coal Creek Oil Co. and all other interested parties to appear and show cause why the Graham #1, located in the northwest corner of the southeast quarter of the northeast quarter of section 20, township 29N, range 11 west, should not be plugged and abandoned in accordance with a Division approved plugging program.

There is no plugging bond.

Yours truly,
