Dear Mr. Hatch:

Please refer to our letter of July 7, 1967, concerning the above mentioned well with copies to Mr. F. L. Harvey and National Surety Corporation. We have had no response from either Mr. Harvey or the bonding company and as the sixty days mentioned in the letter will have expired September 5, 1967, I am recommending that a hearing be set to have to operator and the bonding company to show cause why this well should not be plugged and abandoned in accordance with New Mexico Oil Conservation Commission rules and regulations.

Yours very truly,

Emery C. Arnold
