Att: Mr. G.B. Williams

Dear Mr. Williams:

An error was evidently made in assigning acreage to the above-named well when the original list was sent out. Your plat shows that the entire SW/4 of Section 2 is dedicated to this well and the acreage is 160 acres. I am sending a copy of this letter to Mr. Elvis A. Uts in Santa Fe so that he can make the proper corrections.

Yours very truly
